

BALDWIN FEEDS

Dog Food Portion Guidelines - Daily Feeding Requirements:

- ✓ Average Dogs (2-3% ideal weight per day)
- ✓ Active Dogs including Performance Dogs, Pregnant and Lactating Females and Puppies (4-6% ideal weight per day)

Important Note: Please keep in mind that these guidelines are provided to assist you with portion control and meal planning for your dog. Every dog is different. You may need to adjust your feeding portions based on your dog's individual requirements, exercise levels and other factors to ensure the optimal health and well-being of your dog.
